

RYON TAN

Award-Winning PADI Course Director at AQUA ONE Dive

Ryon Tan, affectionately known as Jo in Thailand, is the in-house PADI Course Director at AQUA ONE Dive, a renowned PADI 5 Star Instructor Development Center based in the heart of Phuket, Thailand. Originally from Singapore, Ryon is a highly respected figure in the global diving industry and a prominent member of the PADI community. His extensive expertise, unwavering commitment to excellence, and approachable teaching style have made him a trusted mentor for aspiring dive professionals throughout Asia.

Diving Expertise and Advanced Certifications

With over a decade of experience, Ryon has established himself as an exceptionally skilled

instructor, known for guiding students across various levels—from recreational to professional. As a certified Advanced Trimix Diver, he brings a wealth of knowledge in technical diving, equipping him to train divers in complex dive scenarios, gas management, and deep exploration techniques. His expertise covers a comprehensive range of PADI courses, specialty diving programs, and professional certifications, tailored to meet both PADI's rigorous standards and individual student needs.

In addition to his role in Phuket, Ryon also conducts Instructor Development Courses (IDC) in Singapore, expanding his reach and impact in the diving community. This flexibility allows students to benefit from his expertise in both of Asia's premier diving locations.

Exceptional Pass Rate and Personalized Teaching Approach

Ryon's 100% IDC pass rate reflects his effectiveness as a mentor and educator. He is known for creating a supportive learning environment, where patience and adaptability allow him to meet each student at their own level. With his guidance, aspiring instructors feel well-prepared, supported, and confident to succeed. Ryon's students describe him as a personable and compassionate teacher who excels at simplifying complex dive theory and techniques, earning him praise from divers worldwide.

Commitment to Ocean Conservation

Ryon is deeply dedicated to marine conservation, making sustainability a core value in his diving philosophy. At AQUA ONE Dive, he integrates eco-friendly practices, from reef-safe behavior to responsible waste management, in all aspects of training. His conservation initiatives extend to active participation in ocean clean-ups and collaborations with local environmental groups. Ryon encourages every diver he trains to become an advocate for the ocean, teaching them to recognize their responsibility in protecting marine life and ecosystems.

Respected Professionalism and Accolades

Ryon's professionalism and multiple accolades solidify his standing as a premier PADI Course Director in the region. His expertise, combined with his respectful approach, has made him an invaluable resource to the diving community, both locally and internationally. With AQUA ONE Dive as his base, he serves as a mentor not only to his students but also to other dive professionals seeking to elevate their own standards of teaching and safety.

A Lifelong Mentor and Ocean Advocate

Whether he's teaching beginners, guiding the next generation of instructors, or diving deep as an Advanced Trimix Diver, Ryon's dedication to diving excellence and ocean conservation shines through. His journey, from Singapore's shores to Thailand's vibrant waters, exemplifies a lifelong commitment to the diving profession and the global community it fosters.
